The Food & Drink Hero question

We are looking for those who possess the greatest of qualities and the best working practices. The most outstanding, the most ethical, the most food fanatical or just simply those who are thought of as the best. Is it because they source the best ingredients, use the most responsible sources or are they the heart and soul of the community, maybe a person or a business that has done/created something that is out of the ordinary.

You may wish to include answers to the following questions:

- How do you make North Notts shine?
- What you bring and add to the North Notts area?
- What are your greatest strengths?
- What aspects of your job make you the North Notts Food & Drink Hero?
- Have you had to overcome challenges to get to where you are today?

Please fill in details in the box 1, 600 words max.

2. Box 2 is for supporting information that you would like to add.

This includes anything that you believe to be relevant to your application including any qualifications, awards or press and social media that may be of value to your application.

Terms & Conditions

Eligibility. Firms and entrants who meet one or more of the following criteria are eligible to enter the judged awards for Made's North Notts Food & Drinks Awards:-

Any food related person/business based within Bassetlaw, Newark, Mansfield & Sherwood (please visit fad.madeinn.co.uk for full post-code areas for entries).

There is no minimum or maximum number of award categories that any one organisation can enter. For each award please complete the appropriate awards category entry form.

Entries should be in English and all entries must be electronic and completed on the downloaded entry forms.

We are unable to accept nominations for any firms or individuals who are currently subject to any form of Corporate Voluntary Arrangement, Individual Voluntary Arrangement or bankruptcy process.

An awards category may be withdrawn if an inadequate number of eligible entries are received.

All eligible applications are assessed by the independent judging panel and a short list of finalists including the winner will be selected for each category. Where exceptional entries are received whom the judges feel deserve recognition, the judges may elect more finalists or include an entry in an additional award category.

In the event that a judge's own organisation has entered a particular award, they will withdraw from the judging panel for the judging of that particular award.

Incomplete or ineligible entries will not be judged.

Award category sponsors may enter the awards with the exception of the category that they have sponsored.

Applicants must be authorised to enter their organisation into the awards programme or accept a nomination.

All judged entries will be acknowledged upon receipt. Entry forms will become the property of Made In North Notts, for the use of Made's North Notts Food & Drink Awards solely, and entries will not be returned.

Judges and Made In North Notts reserve the right to audit any entry and verify information supplied to them. The organisers and judges reserve the right to reject an entry or withdraw an award from any applicant supplying false, inaccurate or misleading information within an entry or in the event of any subsequent discovery or disputes. Any decisions made will be final.

The judges' decision is final and no communication or correspondence will be entered into

before, during or after the judging and may lead to an entry being rejected or an award being withdrawn.

A judge's feedback facility is not available as standard.

Proof of sending entry or a nomination acceptance (by email) is not proof of receipt by Made In North Notts, its agents or representatives.

The closing date for judged entries for all categories and votes is 2/8/2019. Entries received after this time may be rejected and votes received after this time will not be counted. Under exceptional circumstances the judges may choose to extend the entry deadline for the judged awards categories.

The shortlisted companies for all awards categories will be announced after judging is complete. Details of this will be present on fad.madeinn.co.uk

All of the award entries will be treated in confidence, but will be shared with a select group of people for contacting and to allow for judging.

All entries must take place via this official form and sent back to: hello@madein.co.uk in PDF format. Incomplete entries will not be judged.

Companies can enter any number of categories. Sponsors can enter the awards, but are not permitted to enter the category they are sponsoring.

The finalists will be decided through a period of extensive investigation and during the judging process by Made magazine's independent judging panel. The finalists will be announced prior to the awards ceremony. The winners will be announced at the awards ceremony on 25 October.

Shortlisted finalists for all categories will be expected to attend the awards ceremony having purchased the appropriate awards ceremony tickets as agreed. This forms part of the Terms & Conditions of entering or accepting a nomination for the awards. Any finalists who do not comply with these agreed Terms & Conditions will be duly eliminated from the awards process. The only exception is where a finalist has volunteered products and services for the purposes of the awards evening AND will be fully occupied working throughout the evening at the awards ceremony.

No employee of Made shall be entitled to enter.

By registering and completing an entry for the awards you agree to the terms and conditions here.
